SUMMER CHILDREN'S CHALLENGE

Just like everything else in their lives, children learn to worship and explore faith by doing it. With that in mind, the Christian Education Committee has decided to welcome children into the full worship experience in the sanctuary throughout the summer. It is our hope that this intentional approach to worshipping intergenerationally will benefit all of us – from the youngest among us to those who find themselves advanced in their years.

What does this really mean? It means that we, as a spirited community of faith, are taking an intentional pause from our Sunday morning education programs this summer. There will be clipboards with activities and scripture in a language more suitable to children. There will also be a treat at the end of the summer for each child who remains in worship each Sunday they are in attendance.

Childcare will still be available for children ages 0-5. Children of this age are also welcome in the sanctuary during worship. There will be coloring pages for this age, upon request.

**THE CHANCEL CHOIR
NEEDS YOUR HELP!**

Do you have a favorite hymn or choral piece? We would love your suggestions as we choose our music for the year ahead. Contact Janet Storm or Eva Morse or place a note in the offering plate. We will investigate all requests.
