In 2002, twelve European countries began switching from their existing currencies--the lira, franc, mark, and so on--to a new currency, the euro. After a short grace period, the old currency became worthless. In Berlin, they filled a swimming pool with Deutschmarks that had been worth millions a few weeks earlier. They invited people to dive in. The German government used great shredding machines to shred their old currency. The state government of Hesse burned its old Deutschmarks for heat. The Austrians turned their Schillings into tons of compost.

Jesus says, "Make for yourselves purses which don't grow old, a treasure in the heavens that doesn't fail, where no thief approaches, neither moth destroys."

An unknown author once said, "I am not everyone, but I am someone. I cannot do everything, but I can do something. What I can do, I ought to do. What I ought to do, I will do. By the grace of God."

You and I can and ought to be fully aware of the lives of people we affect each time we give our tithes and offerings. People we may and some we will never know; but people who need help, people who need a hand up, people who need to make ends meet, people who are struggling and praying for some type of transformation in their lives.

When you and I give our money to the church we help children and families through Uspiritus (formally Brooklawn), through Crusade, through our bi-annually Food Basket programs, through Home of the Innocents, through national and international agencies like Church World Services and Foreign and Home based Missions and Neighbors in Need and One Great Hour of Sharing, through Plymouth Committee Renewal Center, through SAM, through the Spouse Abuse Center, through Wayside Christian Mission, as well as helping our Conference start new churches that can in-turn help others.

Wow! When we give by the grace of God, God's blessing, help, compassion and love is diverse in so many different and viable ways. This Sunday, and every Sunday you give your gifts back to God think about how many people you are touching by your faithful giving.

It sure beats swimming in a swimming pool that is full of worthless paper. Many people spend more time swimming in their worthless wealth and not enough time sharing their resources in the manner that will and can transform peoples lives. Remember, by the grace of God, you and I can do something pretty amazing when we give faithfully to God's Kingdom. Drain your swimming pool and share God's compassion, blessing and love with the world around you and abroad.

WWJHYD? What Would Jesus Have You (and I) Do?

Luke 12:32-40 'Do not be afraid, little flock, for it is your Father's good pleasure to give you the kingdom. 33Sell your possessions, and give alms. Make purses for yourselves that do not wear out, an unfailling treasure in heaven, where no thief comes near and no moth destroys. 34For where your treasure is, there your heart will be also.

The Rev. Jim Harper III

BUILDER - August 21, 2013

ATTENTION!

In an effort to generate additional income, we have decided to have a small yard sale during the annual Chilifest (10/5/13).

If you have anymore "Treasures" that you are willing to donate, please bring them to the church and mark them "Yard Sale". Thank you!
Jenny Elmore

Chilifest News

The date for Chilifest is 10/5/13 and will be here before we know it. I have already sent out 68 letters to restaurants and stores asking for donations of items or gift certificates for the silent auction, and I will continue to send more; but I need your help in two ways:

I keep copies of all the letters that I send along with the phone numbers of each merchant. These places get so many requests that most of them don't respond to letters. That means that I need volunteers who will call and follow up on the requests.

If you have favorite places where you go frequently, and you know the manager, please give me the business name and manager name. I can then mail that person a letter or give one to you. It really does help to know someone.

Thank you very much!

Council Highlights

August 2013

- At the Congregational Meeting on July 14, 2013 a motion was made and voted on to begin the boundary survey on the old parsonage property. The council looked into using the property as collateral to get a line of credit to help pay for expenses relating to the sale. We were told by PNC that they no longer extend lines of credit to non-profit organizations. Given the condition of our financial state we will have to look to other means to pay whatever expenses may come up.
- We are looking into having a trivia night as a fundraiser. More research needs to be done before we put a plan into action. Also we have the Chilifest coming up. We are considering having a small yard sale that day so save your treasures.
- The nominating committee for 2014 Council has been chosen. Please consider and pray on a decision to serve if you are asked.
- A proposal was made by Rev. Harper to cut his hours at St. Stephen and find a part-time job possibly through the night time hours to try to save the church money. The council unanimously agreed that cuts in hours or wages for our dedicated staff should be an absolute last resort. Please pray on what we can do to increase attendance and giving.

Respectfully submitted,
Carol Hoback

The Yard Sale on 6/15 netted a profit of \$1,128.98. Thank you to everyone who donated items and to those who unboxed, unwrapped, and priced everything and to those who worked the day of the sale. This event is a lot of work, but it is pure profit; so it is worthwhile to start planning for the next one already.

Please feel free to start bringing in items now to be stored here at the Church. Your junk is someone else's treasure!

Christian Education

The dates for Vacation Bible School have been set. SONshine in the Summertime was to be held on June 29th, July 27th and August 17th, from 6:00 p.m. - 9:00 p.m. Unfortunately, the new format idea did not work. We didn't have any children for the first session. However, we still enjoyed listening to a representative from Water-Step, singing songs, watching some videos and completing the craft that Joyce and Debbie had prepared. Thank you to Russ, Penny, Irv and Peggy for cooking for us. As a result, the next two scheduled VBS nights were cancelled.

We are still collecting shoes for Water Step (formerly Edge Outreach). We will be collecting them until September 1st. These shoes can be new, old, slightly worn or worn out. They just need to be in pairs.

Sunday school after worship will be held once a month during the summer. The August date will be announced soon. Normal Sunday school after worship will begin again the week after Labor Day. The Sunday school class before worship will not change.

Thank you again for your continued support of the Christian Education Committee.

Council Highlights

July 2013

- A quorum of council members was established that included two visitors, Victoria Bauer and Emma Goble.
- Our financial situation was discussed. Although expenditures are down from this time last year our receipts are also down. It was suggested to try to get a line of credit on the property at 1867 Farnsley so we can pay for the boundary survey and other expenditures related to the sale. The cost of the survey will be between \$2,400 to \$3,000. The survey proposal will be brought before the Congregational Meeting on July 14, 2013.
- Our thanks to Scott Jennings for donating his time and materials to repair the roof over the vestibule. Also, thanks to the workers who volunteered on the Work Day.
- Our guests, Victoria Bauer and Emma Goble, made a request to have a lock in on August 10th. They would also like to participate in the Sunday worship service. Since the church pays part of their camping fees to Merom they would like to tell the congregation what they did while at camp and what they learned. They are also inviting kids from other church youth groups. After discussing boundaries and what is involved in conducting a worship service the council granted the request by consensus.
- Rev. Harper asked the council for permission to look into planning a retreat to Ocoee Inn for white water rafting. Our last retreat to Ocoee Inn was enjoyed by all and if we plan a retreat for this year we'll try for late summer.
- Rev. Harper is participating in an online church renewal program. The point of it is to get the congregation's ideas of where the church is now and where they would like to see it go in the future.
- Rev. Harper asked and was granted vacation time from July 28 through August 4th. Speakers for Sunday services will be arranged.
- There were no children for the first Saturday of Vacation Bible School. The council suggested posting a sign noting the remaining two Saturdays designated for VBS to be cancelled.
- The Yard Sale was a success as we made \$1,130. Plans are in the works for Chilifest.

Respectfully submitted,
Carol Hoback
